

ENDORSEMENTS

On July 12, 2011, the **Parliament of Nicaragua** has approved a law regarding natural medical therapies that includes **German New Medicine®** (Nueva Medicina Germanica®). This is a significant step in the official recognition of the Five Biological Laws, discovered by Dr. med. Ryke Geerd Hamer.

The **Politechnique University of Nicaragua** and the **National Autonomous University of Nicaragua** have endorsed Dr. Hamer's scientific discoveries of the **FIVE BIOLOGICAL LAWS**.

Below are copies of the certificates issued in recognition of his work.
